

**Tillæg til aftale**  
**Vedr. databehandling af data i IBM's datacentre**  
**/**  
**Appendix to agreement**  
**Regarding dataprocessing in IBM's data centers**

KMD A/S (herefter KMD) skal med dette tillæg orientere Fredensborg Holding A/S (herefter "I", "jer" eller "jeres") om at KMD for at opnå en større datacenter-robusthed flytter Mainframes fra KMDs danske datacenter til IBM Danmark ApS (herefter IBM) danske datacentre i begyndelsen af 2022. Ud over en øget robusthed betyder anvendelsen af IBMs datacentre også, at Mainframes opgraderes til en nyere hardwareplatform med øget sikkerhedsniveau i IBMs datacentre.

Ved flytning til IBMs danske datacentre vil jeres data således senest fra den 1. april 2022, blive processeret herigennem. IBM er godkendt underleverandør/underdatabehandler i databehandleraftalen der er tilknyttet aftalen/aftalerne oplistet nedenfor.

Vi beder jer om at acceptere dette tillæg, ved at underskrive nedenfor, hvorefter du returnerer tillægget på mail til [DPA@charlietango.dk](mailto:DPA@charlietango.dk) hurtigst muligt, dog **senest d. 1/8-2021**.

*English version*

With this appendix KMD A/S (hereinafter KMD) informs Fredensborg Holding A/S (hereinafter "you" or "yours") that KMD, in order to achieve a greater data center robustness moves mainframes from KMD's danish data center to IBM Danmark ApS (hereinafter IBM) danish data centers in the beginning of 2022. The use of IBM's data centers means that Mainframes will be upgraded to a newer hardware platform with an increased level of security in IBM's data centers. As a client you will benefit from the advantages that is a part of the Mainframe technical community in IBM's operating environment.

By executing this new platform set-up, we will process your data no later than 1<sup>st</sup> of April 2022 from the danish data centers of IBM. IBM is already an agreed subcontractor/subprocessor.

We kindly ask you to accept this appendix by signing this document and return it by email to [DPA@charlietango.dk](mailto:DPA@charlietango.dk) as soon as possible, **no later than 1<sup>st</sup> of August 2021**.
